Comment. The Muellrose tank spare part depot had the following supply traffic in the second quarter of 1954:

	Incoming carloads	(from the USSR)	Outgoing carloads
April	189	56	248
May	266	91	348
June	193	36	228

The installation supplied all army spare part depots and the central KVP tank spare part depot in Finow.
